MODEL MAYOLI SENA

FROM THE PUBLISHER

SHYGIRL

Magazine

Almost 3 years ago back when I first started ShyGirl Magazine, I never knew where this was headed. Now 3 years later on my 11th issue, not including my 3 year Anniversary issue, my 2010 year in review issue, or my 2012 & 2013 calendars, which have all been successful, I'm truly blessed. As always I thank the man above, because without faith and dedication none of these blessings would be possible.

For the past 3 years ShyGirl Digital has become its own brand for upcoming and seasoned models. We are presently the #1 online publication and the most consistent to date. Although ShyGirl Digital home is online, this will be the first issue with a print option for our fans to purchase. The reason for this change is because for the past 2 years, we have been receiving emails asking us where could someone purchase a print copy of the publication, or that we should make our issues available for print. So without anymore hold up the wait is over. ShyGirl Digital now has a option for print & purchase.

This issue is dedicated to my son Lundon for he is the reason I work so hard and dedicate myself day in and day out. I love you son.

Alexis let our readers know where you call home? Long Island, NY

What is your nationality?

Sicilian and black

What do you think makes you stand out from other models?

I think being that I'm so tall with curves is what stands out the most. You don't see too many tall models that are built like this. (And all real;)

What would you say is your sexiest feature on your body? My arch

What would a man say your sexiest feature on your body is?

From what I'm told its my derriere...

Vixen modeling sometimes gets back lash from some individuals feeling that this business is soft porn or degrading to women.

What do you say to those who have such an opinion? Everyone is entitled to their own opinion but people tend to be too judgmental. I do it because its a outlet and its what I love to do. And I'm pretty sure the ones who have an opinion about it are the ones who wish they could do it.

How long have you been modeling? And what is your biggest accomplishment so far?

Really started getting focused in it this year and teaming up with Shygirl is my accomplishment to date.

What do you find sexy in a man?

A man that is charismatic and humble at the same time. That's sexy!!

Do you find yourself being attracted to women as well? YESSS who doesn't appreciate a beautiful woman ;)

What would you say is your best sexual talent? Being able to get into a mans head sexually without any touch yet (like Wi-Fi lol) **Giver?** I'm a taker

Top Or Bottom? Top **Skinny/Thick?** doesn't matter either would do as long as it gets the job done.

Now after all that, I'm sure our readers would like to know are you single, or happily taken? I'm happy

In love or just dating? In love

Do you consider yourself to be a ShyGirl? I would say more reserved, not that shy.

Last question how was it shooting with the Owner/Photographer Steven Ward? It was amazing. Love his work..

"I HAVE ACCOMPLISHED MY GOAL AS FAR AS EDUCATION WISE AND MODELING IS SOMETHING THAT I ALWAYS WANTED TO DO."

"MY BIGGEST ACCOMPLISHMENT SO FAR
HAS BEEN BEING ABLE TO INSPIRE OTHER
WOMEN AND BE A ROLE MODEL AS WELL."

Let our readers know where you call home? Bronx, NY

What is your nationality?

I'm Antiguan and Panamanian

What do you think makes you stand out from other models?

My features but most of all how I carry myself.

What would you say is your sexiest feature on your body?

My cheek bones.

What would a man say your sexiest feature on your body is?

My face lol.

Vixen modeling sometimes gets back lash from some individuals feeling that this business is soft porn or degrading to women.

What do you say to those who have such an opinion?

I would say get use to it because it's no going anywhere!

Like It, Or Love It?

What's not to Love

Now that the political question are out the way lol, lets get to the questions our readers wanna know..

What do you find sexy in a man?

The way he treats a lady!

Are you a control freak, or you would rather the man to be in control?

Control freak!

What would you say is you best sexual talent?

It's the motion lol.

Giver? Yes

Top Or Bottom? Top

Skinny Or Thick? HYPE lol

Now after all that, I'm sure our readers would like to know are you single, or happily taken?

Happily married

Do you consider yourself to be a

NEW MODEL SPOTLIGHT

Porsha Monroe

PHOTOGRAPHER STEVEN WARD
THE GRAMA'S BOY NETWORK LLC.

Let our readers know where you call home? I was born in Brooklyn but Harlem is home.

What is your nationality? Black and Italian

What do you think makes you stand out from other models?

My beauty is derived internally rather from my external, its My humble personality, a lot of woman in this industry get on and become cocky and rude, So that is very important to me to be humble.

What would you say is your sexiest feature on your body? I absolutely love my legs, my thighs are super sexy!

What would a man say your sexiest feature on your body is? Men always complement my lips, I guess it's something juicy about them that brings the attraction.

Vixen modeling sometimes gets back lash from some individuals feeling that this business is soft porn or degrading to women.

What do you say to those who have such an opinion? It comes down to two things RESPECT and PREFERENCE those people have to understand that this is a business not a way of life, and people prefer to indulge in this world. In terms of preference There is a audience for everything, and if this is not what you prefer don't indulge, but respect it.

What made you get into vixen modeling? Well I have always been into the sexier side of me. I enjoy being sexy posing for the camera, hosting parties and events, getting into the business side of it when I hear the word vixen I think of entrepreneur!! It's all a business venture.

Like It, Or Love It So Far? Love it

What do you find sexy in a man? A nicely built body & knows how to take care of business gets me all the time.

Do you find yourself being attracted to women as well? I have always been curious, woman are sexy and I always have an eye for that!

Are you a control freak, or you would rather the man to be in control? I rather the man be in control even though I tend to try and take over a lot. Lol

What would you say is your best sexual talent? Lol I can last for hours and I love to be the pleaser in oral sex! **Top Or Bottom?** Top is a must its sexy! **Skinny Or Thick?** Thick.

Quiet Or Loud? Lol I'm always loud In bed, but in a sexy way.

Where would you say you have had your most usual sexual encounter?

In a restaurant I will never forget lol. It was intriguing.

Now after all that, I'm sure our readers would like to know are you single, or happily taken? I am single..... But looking.

Last question before we go. How was it shooting with the Owner/Photographer Steven Ward? It was awesome, I admire his hard work and when I see the results of my photos I am always satisfied and happy! He goes hard <<<
